Authorized to work in the U.S.

[TECH EXPERIENCE]

Grabit Systems, San Francisco (remote) — *Web Developer* (NOV'16-present)

Delivered best-in-class HTML, CSS, JavaScript, jQuery front-end code. Developed new user-facing features. Created design mockups and logos using Photoshop. Implemented CSS media queries for mobile responsiveness. Fixed bugs and tested front-end code to ensure cross-browser compatibility. Collaborated with back-end developers and web designers to improve usability. Involved in Agile process, monthly sprints and daily scrums to discuss the development of the application.
Technologies: HTML, CSS, Javascript, jQuery, Adobe Photoshop.

General Assembly, San Francisco — *Web Development Student* (JUN'16-SEPT'16)

Successfully completed a 12-week immersive program (60+hours/week), focused on MEAN Stack, Ruby on Rails and Computer Science basics. Managed development of app from wireframing to deploying on Heroku with a team of 4 developers. Served as a team coordinator, assigned tasks and analyzed processes.

[PROJECTS]

Where To Repair GitHub || Heroku

App allows users to find the best car repair shops to get the best price in 1 easy step.
Technologies: Ruby on Rails, PostgreSQL, Materialize.

General Assembláge GitHub || Heroku

This is a social networking tool that connects General Assembly alumni across all immersive courses and all locations to foster collaboration.
Technologies: Ruby on Rails, PostgreSQL, Materialize.

Art of Playa GitHub || Heroku

This app allows people to share posts about amazing art installations from "Burning Man" festival, that takes place at Black Rock Desert in Nevada.
Technologies: Built full CRUD SPA app, refactored it to a MEAN stack app (by adding Angular.js).

Train or Gain GitHub || Heroku

App helps people track calories throughout the day and calculate how much they need to workout to burn this calories.
Technologies: Javascript, MongoDB, Express, Node, Handlebars, Bootstrap.

[OTHER EXPERIENCE]

Levy, Erlanger & Co, San Francisco — *Accounting Intern* (DEC'15-APR'16)

Implemented new effective system of filing trial balance and tax forms that reduced time for its preparation by 70%. Acted as a mentor for other interns, handled time sensitive projects by delegating responsibilities to the team members.

Zara, San Francisco — *Sales associate* (OCT'14-AUG'15)

Enhanced sales by 35% by working with other teams to apply essential sales tactics and tailor product demonstrations for each customer.

Polaris (event agency), Russia — *Junior Project Manager* (AUG'12-JUN'14)

Managed and coached promotional team of 100+ associates. Planned, supervised and executed multiple social and corporate events from 50-1000 guests, meeting important deadlines.

[EDUCATION]

General Assembly, San Francisco — *Certificate, Web Development (*JUN'16-SEPT'16)
City College, San Francisco — *Classes, Java and Accounting (*AUG'15-DEC'15)
South Ural State University, Russia — *B.S., Economics and Project Management* (SEPT'07-JUN'12)
